- **July, 1st, 2022: winner announcement webinar. Wait to hear your name live in the program!**

Terms & Conditions: • The competition is organized by Ivoclar Vivadent GmbH, Tech Gate Vienna, Donau-City-Strasse 1, 1220 Vienna, and is aimed exclusively at dental students who are undergoing clinical training at the selected universities named above. • The competition will be held in the following countries: Albania, Bosnia Herzegovina, Bulgaria, Croatia, Czech Republic, Hungary, North Macedonia, Republic of Serbia, Romania, Slovakia, Slovenia. • In order to participate in the competition, students must fill in the registration form and give their consent to participate in the competition. The registration form is available from the contact persons. Two winners will be selected from among the submitted cases. The first placed winner will receive an engraved Swarovski crystal, a package of materials and a visit to the practice of an opinion leader from the region where the winner comes from (each worth approximately EUR 800). The travel expenses (worth a maximum of EUR 1000) and accommodation for the visit will be covered by Ivoclar Vivadent GmbH. The second placed winner will receive a material package (worth approx. EUR 800). • Only students of dentistry who are undergoing clinical training can participate in the competition. Employees of Ivoclar Vivadent AG and its group companies as well as their family members are excluded from participation. Participation in the name of others (by proxy / representation of third parties), also in the form of communities or similar associations, is not permitted. There is no entitlement to participate. • Registration for the competition takes place via the registration form provided for this purpose. This should be handed in to the contact person at the respective university or sent directly by e-mail to danimir.jevremovic@externals.ivoclar.com. Contest period: March 1st, 2022 to July 1st, 2022. Deadline for registration is March 31st, 2022, 12:00 (CET). 50 contest places are awarded. From April 1st, 2022, registered persons will be informed whether they occupy one of the 50 competition places. The „first come, first serve“ rule applies here. Name, address, e-mail address and other required data must be provided truthfully. Incomplete entry forms will not be considered valid. The 50 notified participants will attend a live webinar on April 8th 2022, where the work order will be explained in detail. Participation in the webinar is mandatory. On the same time, the 50 kits for the contest participants will be sent out. Those who have not received a kit by April 10th, 2022, please contact danimir.jevremovic@externals.ivoclar.com. • There is no cost to enter the sweepstakes. By entering the competition, participants accept these conditions of participation. • Ivoclar Vivadent reserves the right to change or terminate the competition at any time without the participants being able to object. • The personal data of the participants will not be passed on to third parties and will be processed exclusively for the purpose and duration of the implementation or handling of the competition, unless consent has been given for further use. Consent to data processing can be revoked at any time at dataprotection.vienna@ivoclarvivadent.com. In the event of a revocation, the personal data will be deleted, with the consequence that participation in the sweepstakes is no longer possible. • A cash payment, an exchange for other non-cash assets and / or a transfer of the prize to another person are not possible. • The developed cases of the participants must be documented by means of photos, videos and descriptions and submitted to the e-mail address danimir.jevremovic@externals.ivoclar.com by of June 15th, 2022, 12:00 (CET). Cases that have not been submitted by that time will not be considered for evaluation. A jury of 10 experts will then evaluate the submitted cases and award points in different categories. The submission with the most points will take first place, and the one with the second most points will take second place. The winners will be determined by July 1st, 2022, 16:00 (CET) and notified of the prize no later than July 4th, 2022, 12:00 (CET). Notification will be sent to the email address provided by the participants. If we do not receive a case submission from confirmed participants, Ivoclar Vivadent GmbH reserves the right to charge for the Evetric System Kit 4x3.5g/Evetric Bond. The value of the kit is EUR 120. • Participants cannot derive any claims from their participation in the competition. The legal process is excluded. • Austrian law is exclusively applicable under exclusion of the conflict of laws.
